Happy Holidays from Lee Cossell Kuehn & Love, LLP

Thank you for your business!

The 2006 Adopt-A-Family Christmas Program was held on Friday, December 15, 2006. We are pleased to announce that 100 families were sponsored this year. The Lee Foundation purchased clothing, toys, coats and shoes for the families selected. Professional athletes from the Indianapolis Colts, and television personalities volunteered their time to assist Santa with distributing the gifts to the children. We especially thank our sponsors who support our annual City Wide Halloween Candy Give Away and Adopt-A-Family Programs:
